5 cents

Community Church to Be Dedicated In Formal Services Sunday Morning

The long-awaited Dedication Service of the Community Church building project will be held Sunday morning at 11 o'clock with the Rev. Dr. Harley Gill, superintendent of the Northern California Congregational Conference, as the main speaker. Assisting in the ceremonies will be the Rev. Henry M. Shires, Dean of the Church Divinity School of the Pacific, and Bishop George H. Miller, Pastor of the Lafayette Community Church.

The keys of the building will be

turned over by the architect, Ralph C. Sisson, to Milton L. Selby, chairman of the Church's board of trustees.

The dedication rites will open with the first ringing of the church bell, a trumpet call played by Mrs. Myron R. Williams, the ceremonial opening of the doors, and a processional of choir and congregation into the building. To be dedicated also is a rare silk embroidered dossal hanging given by the family and friends of Kathryn Barber in her memory.

At an earlier service held at 9:30 the children will be led in a similar dedicatory program, with shortened lesson period to allow for arrangement of the building in preparation for the formal services.

The service will be open to all. The congregation is asked to gather on the connecting roadway leading from the parking area.

George Penfields Suffer Injuries In Freak Accident

Mr. and Mrs. George Penfield of Cannon Drive and their granddaughter, Karen Collings, were the unhappy victims of a freak automobile accident at their home Saturday.

The mishap started when the family was in the back seat of the car parked on North Lane Rd. waiting for the driver, when the emergency brake became dislodged and the car rolled down the road and off a 30 foot bank at the bottom.

The run away car in its mad dash brushed against the owner, Mr. Vienyard of Berkeley, knocking him down. The fire department was called to assist Mrs. Penfield from the wreckage at the bottom of the stream bed.

Mrs. Penfield was confined at Herrick Memorial Hospital with a fractured pelvic bone and was expected home Wednesday. Mr. Penfield and Mr. Vienyard both suffered leg injuries but not of a serious nature. Karen incurred minor bruises.

Measle Epidemic Misses Lafayette

Parents and teachers in Lafayette have breathed a sigh of relief now that the measles epidemic that hit Walnut Creek and Orinda apparently has by-passed Lafayette.

Superintendent W. B. Ellis said that for awhile it looked as if measles would strike at many of the children but for some reason it never took hold. He estimated that at the most 20 children contracted it.

"I guess we were just lucky," he said.

In Orinda Grammar School, two weeks ago some 216 students were absent out of a total of 510.

Acalanes Plans Clean-up Drive

A new campaign has been instituted at Acalanes High School by the student body.

This time it's a clean-up program for the school grounds and sports field. The students were faced with an alternative of, either keep the grounds clean or have them policed by the teachers at the lunch hour.

The Block A society of the school has accepted the responsibility of the clean-up campaign.

Firemen Put Out Truck Blaze

The Lafayette Fire Department was called out April 8 at 7:15 p.m. to put out a fire that destroyed the cab and wiring of a truck owned by Tony Lemos. The truck was parked in back of his house on Mt. Diablo Blvd. The fire was extinguished and the trucks were back at the firehouse within 25 minutes.

TO THE ISLANDS

Mrs. Charles Rambeau of the Hacienda left for the Islands last Saturday by plane. She will visit friends while there and expects to be gone for about three months. It is her first vacation in seven years.

A LOOKED-FORWARD-TO EVENT of the baseball clinic at Acalanes last Saturday was the throwing out of baseballs by Demon Damon Hayes, star Oaks pitcher. Dick Fey, left and Charlie Ostrom were among the few lucky ones to snag a ball and here Demon Damon does autographing honors. — Thain photo.

Baseball Clinic with Oak Stars Draws 500 Kids and Baseball Bugs

The baseball clinic held at the Acalanes High School last Saturday morning proved to be a success in every way when some 500 kids and adults packed the gym.

The affair was sponsored by the Walnut Creek Kiwanis Club. Johnny Babich headed a delegation

of Oaks who gave demonstrations of the correct method of hitting with Maurice Van Robays in the starring role. Pitchers Willie and Damon Hayes displayed their pitching wares while recently acquired Gene Lillard illustrated the art of catching.

Red Cross Attains Campaign Quota

The Walnut Creek Area Chapter of the American Red Cross has achieved the distinction of being the first unit in the Pacific Division to reach its goal in the annual drive, now being completed, according to Mrs. John Irving.

The quota of \$12,665 was met last week and contributions continuing to pour in assures even greater success. The drive is headed by Pete Rinehart of Walnut Creek.

Fiesta Proceeds Will Again Go to American Friends

Following a vote of its members, the Lafayette Fiesta Association last week decided to again appropriate half of this year's Fiesta proceeds for foreign relief to be distributed through the American Friends Service Committee.

Six distribution agencies were considered but in a closed vote the Friends was named by sixty per cent of the ballots. Half of the profits of the Fiesta, to be held September 25, will again be used locally.

At the meeting, new members were welcomed by vice-president Frank Smith. Plans were discussed as to food, type of entertainment and booths.

The Association also voted to co-operate with the Children's Crusade and with current Lafayette recreation projects.

Residents interested in working on the Fiesta are invited to the next meeting at the Knobel home, date to be announced.

Orinda Expose

Post Office employees in Orinda last week were confronted with a new and different address on an envelope.

The address read, "Bellyview Drive, Orinda, California." The Postmaster wondered if the occupants of that address wore mid-rift suits.

Orindans Inc. to Enforce Deed Restrictions

The Orindans Inc. have received authority from Fred T. Wood to act as his agent in passing on the building plans and enforcing deed restrictions in his development, Moraga Estates.

Future building plans for this tract maybe submitted to Dr. Kimball, chairman of the committee. The group announced that they will do everything possible to safe-guard the present owners in regards to enforcing restrictions.

First Step Taken For Local Sewers

First Step toward organizing local improvement districts which will build sewer lines to the main sewer trunks now being constructed, was taken at the last meeting of the Central Contra Costa Sanitary District.

The Board adopted resolution for installing "local" sewers in district No. 2, which is 1,200 acres southwest of Walnut Creek.

Board members explained that the Board may institute the formation of local improvement districts. There is no need for petitions from residents, unless they wish to initiate action.

The Board set May 6 as the day to open bids for construction of section of the main trunk sewer from Lafayette to a point just northwest of St. Mary's College.

Saturday Night Dance at Moraga

Featuring a Grand March at 9:30, a benefit dance will be held at the Moraga School Saturday night from 9 to 1 o'clock sponsored by the Moraga Mothers' Club.

All proceeds from the dance will be added to the school's hot lunch program. A lovely white percale sheet and pillow case set will be awarded at the dance.

TO HOSPITAL

Carol Doxey, seven years old resident of Orinda, was rushed to the Herrick Memorial Hospital April 8 for an emergency appendectomy.

Orinda Republican Assembly Meets To Name Board of Directors

The Orinda Unit of the Contra Costa Republican Assembly met Monday night at the Orinda Grammar School with William Everts as the chairman, presiding.

Mike Murphy was on hand to register all qualified voters who had not done so already. Candidates present included Ray Van Tassel, Robert Friberg, Jack Pedder and Clarence Erickson.

The meeting was called for the business of organizing precinct

workers and elect the board of directors.

The members of the board are Leon Woolsey, King Wilkin, W. A. Patterson, R. W. Breuner, Dr. John Compertz, Edgar Stewart, Dwight Chapman, Ernest Spiegel, George Hauerman, Jack Bottomley, Harold Symes, Leighton MacGregor, Clarence Betz, Herbert Hauser, K. B. Morrish, N. S. Dodge Jr., William Fleager and Ritchie Smith.

Orinda Post Office Switches to City Mounted Delivery Effective May 1

May 1 city mounted delivery service will go into effect in Orinda, the Post Office department announced today.

The mounted delivery will supersede the three rural routes, but, according to the Postmaster, the change will make no appreciable difference to Orinda residents. The change primarily affects the mailcarriers. Under city mounted delivery their automobile allowance is figured on a different basis, which gives them an in-

crease.

Since November 1945 mail has been delivered to residents to their street numbers and house numbers. This eliminated need for a change from rural route and box numbers.

An inspector will assist in placing the new service in operation May 1.

Under the new plan, several extensions of delivery will be made. They are on the Village side: extensions on Miner Road and Sycamore Road, adding delivery on El Gavilan, Dias Dorados and La Cintilla. On the Moraga side extensions on Glorietta Boulevard to the Moraga Meadows tract and on Irvine Drive. Additional deliveries are contemplated for the Moraga Woodland area and in the Orinda Highway district.

Additional Mail Route Added to Lafayette, Orinda

Effective April 15 an additional round trip mail service hits the road on the star route between Oakland and Concord via Orinda, Lafayette and Walnut Creek, the Post Office Department has announced.

The new trip will bring to three the number of deliveries to and from the local postoffices and Oakland. The added service, however, will not go into Moraga or St. Mary's, as do the other two.

Under the new schedule the mail truck leaves Oakland daily, except Saturday, Sunday and holidays, at 11:30 a.m., arriving in Concord at about 12:40. It leaves Concord at 12:50. Exactly when the truck passes through Orinda and Lafayette has not been determined.

The Post Office also announced that the first trip in the morning has been moved up from 6:30 to 5:45. There is no change in the trip leaving Oakland at 2:20 p.m. and returning from Concord at 5:10 p.m.

Orinda Mothers Hear Chorus

The Orinda Mothers Club was entertained recently by the Acalanes Girls Chorus under the direction of Oscar Busch. The girls sang several numbers after the club's regular meeting held at the home of the H. B. Zamlach's.

The following girls sang: Marilyn Adler, Darlene Bates, Dianna Bowersock, Marie Buskirk, Janice Comstock, Nancy Dieterick, Neeltje Eggen, Joan Guldenzopf, Betty Keefeauver, Lu Clare Lutz, Joan Potter, Genny Raines, Betty Thomas, Juanita Valazquez, Rose Marie Williams, Anne Winters, Janet Woodmansee, and Ann Yeager. Gwen Ralph, also a student, accompanied the group.

LADIES LUNCHEON

A ladies' luncheon and card party for members and their guests was held at the Country Club yesterday at 1 o'clock. Bridge and gin rummy were on the program.

Hospital Committee Meets to Study Hammond Report on County Facilities

Wednesday evening the executive committee of the Central Contra Costa Memorial Hospital Association met at the home of Neill C. Cornwall in Lafayette to consider the Hammond Report on hospital facilities in the county recently released by the Board of Supervisors.

For the last three years the Hospital Association has been actively engaged in preliminary work for the establishment of a hospital in the Orinda - Lafayette - Walnut Creek area. Petitions have been prepared and it was intended in a few days to start the drive to obtain the necessary signatures to place a proposition establishing a hospital district in this area on the November ballot. This would be a district similar to the Sewer District.

If Plan B of the Hammond Report is adopted this procedure

will still be carried out, according to Association officials.

The Board of Supervisors and the Citizens Committee which fathered the report have recommended the adoption of Plan A. Under this plan the entire County would constitute a single hospital district. This district would build and manage several hospitals at various locations in the county, including one in Walnut Creek.

It was decided to have a joint Breakfast meeting at Walnut Creek's Coffee Bar Sunday, April 25th of the Board of Directors and the Medical Staff to study the report in detail. Jack Cummings and Ray Taylor, representing the Supervisors, and James Ryan and Dr. L. H. Sraser from the Committee which sponsored the report will be in attendance to explain the report in detail. The meeting will be open to the public.

Park Pool Board Invites Residents To Send in Memberships by May 10

May 10 has been set as the deadline for local residents to join the Orinda Park Pool, according to the Board of Directors.

After that date, membership will be open to old members living outside of Orinda.

"The Board wishes to remind new residents of Orinda as well as old Orinda members that they have until May 10 before membership is opened to outsiders," the announcement stated.

The charge for family membership of three is \$25 and for each

additional member in the family, \$5. Single membership is \$10.

Payment is to be made in full at the time of application. A self-addressed envelope will facilitate prompt return. Additional information may be had by writing PO Box 32, Orinda.

The directors state, "This season will be a fine one. Extensive improvements have been made for the comfort of the members. Free swimming instruction is an added attraction for old and new members."

Guest Editorial: If I Were Making a Political Speech -

(The following is a guest editorial by Colonel M. M. Garrett, pioneer developer, civic leader and political figure of the area.)
By COL. M. M. GARRETT

If I were making a political speech, I would tell my audience: That politics is the most important thing in their lives. Their future economy — their freedom — and actually their very lives, may reasonably depend on the outcome of the coming elections.

Industry would be told that it can be regulated to the extent of making it futile — made to compete with tax-free organizations, while its taxes destroy hope for profit — jockeyed into Government control and final socialization.

Labor would be told that to foster and encourage a continuous quarrel between Labor and Industry can only destroy the worker's pride in his employment, decrease profits from which his wages must be paid, and ultimately destroy his opportunity for earning.

Agriculture would be told that it could reasonably determine a course to avoid ruinous price fluctuations, without domination of political crackpots who wax fat on silly ideas for agricultural regimentation.

The veterans would be told that they have taken a sacred oath to defend the Constitution of the United States against all enemies, foreign and domestic — that they have changed clothes and weapons and have had some deserters from their ranks, but that they are still fighting for the same principles and objectives as when in the Armed Forces.

Finally, America would be told that its destruction through excessive taxation is like a victim being forced to pay his own hangman.

Letters to the Editor

TO THE EDITOR:

Am writing to take exception to the thought expressed in your editorial this week in reference to the political situation.

You take the middle of the road or "commercial" stand on an issue that is of extreme importance to residents of the Lafayette-Orinda area.

Contrary to your expressed opinion the function of first importance in the publication of a newspaper is to dig up all of the information concerning any and all things that affect the well-being or pocketbook of the public and publish them so that an intelligent answer can be expressed in the voting booth.

We have a situation in the second supervisory district that is worthy of red-blooded support on the part of a real newspaper. We have a supervisor who throughout his 16 years of service, has proven his ability to serve and serve well, who has looked upon his job as one of service to the people and his county.

Jack Cummings has been a real servant, has accomplished a difficult job in an excellent manner with credit to the county as well as to himself. We could list many, many things that he has done for his district such as roads, drainage, traffic lights at Orinda and Lafayette, care for those who need county assistance and a painstaking effort to see that we get a dollar's worth of value for every one of our tax dollars.

Cummings has grown in stature with his years of service. The next four years are years that are vital to the taxpayers of the county and we are badly in need of the continued service of a man who has definitely proven himself big enough for the job.

On the other side of the picture he is opposed by a man who, apparently, has only two reasons for his election: he wants a job and the man who has the job he wants "has been in the job too long."

Industry, instead of kicking out their experienced executives, invariably raise their wages, honor them with gold watches and take advantage of their experience.

Experience is what we need in a job that is as important as county supervisor.

A little research in your own files will give you many reasons why your newspaper should support Jack Cummings for re-election.

tion.

And, an hour's digging into the record over in Martinez will give you enough to keep the campaign hot from now until election with every bit of information extremely favorable to the re-election of Jack Cummings, the man who has placed the well-being of every man, woman and child throughout his district as the first item of importance in his every official act.

This writer is for Jack Cummings' re-election simply because he has given us a business administration tempered by a thorough understanding of our needs and has the experience to serve us through the vital years immediately ahead.

SPECIAL SPEED LIMITS ARE SET FOR SOME LOCATIONS

ARM SIGNALS FOR STOPS AND TURNS

Captain Sandford Sez:

The lighting system in the Lafayette Library is very bad; reading there is only possible under severe eye strain conditions. Also a drop chute would be a useful and convenient addition. Let us get together and do something about these improvements without delay.

When you get ready to yelp about how little certain people have done for Lafayette and Orinda I suggest that you retire to some quiet spot with a mirror . . . do some experimental yelping and barking in private . . . then take the mirror and look yourself square in the eyes, and ask yourself the question, "Just what have I done for my town?"

After that if you still feel that you have some yelping and barking to do in public, for the love of Pete, learn something of your subject. Then yelp and bark your fool head off if you must . . . but first know whereof you speak. There are still some old timers here who know just who did what, when, and why.

I do not believe that it is a good reason to try to vote in a new supervisor just because Jack Cummings has "been in too long," any more than a plumber should be thrown out just because he has been "here too long."

I prefer to judge a supervisor by his supervising and plumbers by their plumbing . . . a wee bit of common sense goes a long way most times.

Some years ago when Sir John A. McDonald was Premier of Canada, a project which he was much in favor of was under severe criticism by some self-seeking busy-bodies.

Sir John, then a man of advanced years and of unquestioned sincerity, stood up on the floor of the House and said, "Take me to the orchard, and take me to the tree with all the sticks and stones around it, and I will show you where the good apples grow."

The Book Corner

By RUTH FLETCHER

Albert E. Idell's nostalgic Centennial Summer has left many of his ardent followers and well-wishers asking for more about the delightful Rogers family. In response to this demand, "The Great Blizzard" (Holt, \$2.75) makes its appearance.

The setting of this novel is Brooklyn and New York City from 1884 to the 'Blizzard' of '88, when New Yorkers dug themselves out from snow not quite so deep but more destructive than the "Great Snow of Christmas '47".

This is a rousing good novel of family life — and what a family! This continuation of the fortunes of the Rogers family, members of a clan whose infectious charm and vibrant, American warmth made them favorite fiction characters to readers of his earlier books.

NEW MEMBERS

Several new members join the family in this novel, among them a fine, red-headed gentleman who was one of the first great underground pitchers of the "Brooklyn" — now named the Dodgers. Several incidents centered about him will be sheer joy to a Dodger fan, or to anyone who is a baseball enthusiast.

Another newcomer is a pretty little actress named Ohio Ballou who captures straight-laced Hen-

ry, and there's also a new marriage for Mrs. Rogers' fabulous sister Zena, who practices total war and captures a bewildered little man after dying her hair red.

SERIES COMPLETED

The Look at America series is now complete. The editors of Look magazine have released the final volume in the series, "The Far West" (Houghton, \$5.00).

The series now represents an entirely new kind of guide book. The master volume is one of the finest collections of photographs of the United States ever made. The nine regional guides, which are made up of photographs of the same high quality, give a more complete picture of smaller sections of the country.

In addition to the pictures and an informative text, they each contain and introductory essay by a well-known author who is a native of the region, road maps, and appendices giving a complete seasonal account of the local sports and major entertainments.

PURPOSES

These guide books have three purposes. If you are planning to travel, they will serve as a preview of what you are going to see. The carefully chosen photographs will give you a feeling for the country that words can never con-

Board of Trustees, Athletes Honored At Acalanes Student Body Assembly

The Board of Trustees of Acalanes High School were presented service awards before a student body assembly Tuesday.

Three of the five trustees so honored were original members of the board, having served to date continuously for eight years. They are John Chaddock, Malvin Jacobus, and Howard Stanley, board clerk. The other two members present were Carl Newbury, board president, and Dr. Ralph Hall.

Each member addressed the assembled students briefly.

EARLIER ASSEMBLY

Earlier in the year, in January, Acalanes students had similarly expressed their appreciation to the four former members of the board.

A special feature of the assembly was the appearance of a trio

from the University of California Glee Club.

The trustees shared honors at the awards assembly with student basketball stars of the 1947-1948 season, who were presented their athletic letters.

ATHLETIC AWARDS

To the following A team members, Coach Erwin Mattson presented their blocks: Buford Feagans, Phil Chapman, Leigh Freeman, Marshall Freeman, Bernie Nelson, Ken Brown, Al Dunasky, Bennie Strickland and Don Wells.

From their coach, Charles Eaton, the B team received their awards: Bob Champion, Marvin Jorgenson, Harold Nielson, Ray Dovik, Dick Spight, Lynn Amason, Ted Hall, Mike McKee, and Roy VanDenHeuvel.

Lafayette and Orinda Contribute Over \$1,400 to Salvation Army

Lafayette and Orinda residents have contributed over \$1,400 to the Salvation Army's annual appeal for funds, according to Bert Wright, chairman, and Jack Schneider, treasurer, of the Rotary Club committee sponsoring the drive.

They state that each day the

mail brings in more contributions to be added to the \$1411.43 donated so far. This is \$300 more than was contributed last year.

Schneider said that part of the money is banked locally for local emergency and welfare needs. Needy persons may apply for aid. The balance helps pay for cases that appeal to the Salvation Army in the larger cities.

An Army official said this week, "Lafayette and Orinda have been very kind, thoughtful and financially generous and the Army says its usual God Bless You and thank you. It also sends a hearty thanks to the Lafayette Rotary Club."

Moraga Mothers To Hold Whist

The Moraga Mothers Club will hold a public whist at the Moraga School on April 30, at 8 p.m. The proceeds of the whist will be used to help the hot lunch program they are sponsoring for the students at the Moraga School.

Mrs. Thelma Quinley has been named as the general chairman to start the preparations for this event.

The Mothers Club will also hold their regular monthly dance on April 17, at the Moraga School, with proceeds going towards the hot lunch program.

Mens' Club Sets Ladies' Night

The Men's Club of the Community Church is having another of its famous Ladies' Nights.

It will be Monday at 6:30. The rule is everybody bring a "pot" to share with others.

The men have planned a special program for that night. It will be in the form of some beautiful color slides illustrating biblical texts.

Your Garden IN LAFAYETTE AND ORINDA

BY
CONSTANCE HANSEN

In the weeks before the Spring Garden Promenade held at Jell's last week I heard a few garden clubbers saying they couldn't enter a flower arrangement in the competition because they wouldn't have enough flowers in their gardens to use.

For such gardeners, the exhibit must have been an eye opener with the wealth of flowers shown.

One nice flowering shrub that appeared in two different arrangements, and one which is not seen as often as might be expected, was the Persian lilac. It is rather a low shrub which stools out from the base, eventually making a sturdy clump from 4 to 6 feet tall, and being useful as a forerunner of the main lilac season, blooming two or three weeks before the other lilacs start.

TWO VARIETIES

It comes in two varieties, one with entire leaves and one with the leaves divided, called the cut-leaf Persian lilac. The flowers are sweet scented, small and lavender, those of the cut-leaf variety being borne in a more scattered arrangement than in the other form, which has solid clusters.

They are not particular as to situation or soil, although they appreciate a little summer water. One nice feature about the Persian lilac is that it can always be relied on to flower year after year, even in regions where the regular lilacs do not always bloom well. I enjoy the combination each spring of the Persian lilac with a planting of bi-color daffodils.

Another spring-flowering shrub much in evidence at the show was the lovely yellow forsythia, which is such a useful thing to have to bring in the house with the spring bulb flowers. I have seen it blooming well both in full sun and on the north side of a house, so it too is adaptable.

GARDEN PICTURE

The table centerpiece arrangement which won a blue ribbon for the Lafayette Forum could be amplified into a very effective garden picture. It consisted of sprays of our native redbud, Cercis occidentalis, several huge red-purple blooms of the tree peony, and clusters of blue primroses.

The tree peonies are woody, grow from three to five feet tall, and do not die down in the winter, but start growth each year from buds which were formed on the branches the summer before; new shoots also arise each year from the base. Once well established they are a joy forever, gradually increasing in size over the years. They can be fed with a top-dressing of bone meal and well-rotted manure in early spring. They are lovely as specimen clumps in front of evergreen shrubs, and faced down with blue primroses.

WHERE TO PLANT

The redbud should be planted behind the evergreens, as it makes a small tree and does not require artificial watering after it's once established. Tree peonies are best obtained during the winter months

when bare-root field-grown clumps are available, as the root system is much better than that of plants in containers.

A monochromatic arrangement shown in the name of the Orinda Garden Club caused a lot of favorable comment. It was made up entirely of herbaceous material in shades of blue or red-violet. There were Spanish squills, grape hyacinths, blue and purple primroses, purple stock, and anemones, all blended into a most effective composition. All these plants are most hardy and easily grown in the garden here.

Proof that prize-winning arrangements can be made even if one has no garden, as long as a little creative imagination is used, was demonstrated by the Novato Garden Club, with a stunning display of field flowers and grasses suitable for a barbecue setting. Bearded wheat was used in two different arrangements, one a very satisfying combination with ordinary yellow mustard, and the other, which won a blue ribbon for the Berkeley Women's Club, a stylized arrangement of wheat with graduated pebbles and a Chinese figurine.

SURPRISES

The Diablo Mens' Garden Club was very well represented, and their exhibit gave one the impression of a lively imagination at work, in the use of figurines and surprise devices, such as the underwater arrangement, and the revolving Chinese garden scene.

A simple arrangement of wild currant with pussywillow and daffodils was like a whiff of spring itself. No garden should be without a wild currant bush, which not only has the lovely pendant clusters of pink flowers in spring, but gives off a spicy aromatic odor when the sun shines on it at any time of year. It also is adaptable to varied conditions of soil, water, and sunshine.

Some of the arrangements demonstrated the possibility of getting added color interest with varying kinds of foliage, and these foliage plants can be used in the same way in the garden picture. The variegated privet may not be one of my favorite shrubs, but I must admit it was a perfect foil for the blue-violet squills and the brilliant Azalea hinodegiri as I saw it used in the show.

Besides the shrubs with variegated foliage, there are some, such as the Chinese Toyon, whose new growth comes out bright red in spring, and is as warming to the eye of the beholder as brilliant flowers on a cold day.

Friends Surprise Mrs. James Lucas

Mrs. James Lucas was taken out to dinner recently at the Casa Orinda, and was delightfully surprised to find a table set for 12. Everyone greeted her with a "Happy Birthday."

Guests at the dinner party included: Mr. and Mrs. Manuel Lucas, Mr. and Mrs. George Hartzell Sr., Mr. and Mrs. Dan Lucas, Mr. and Mrs. Harry Biederman, Jim Lucas Jr., Babbette Neldam and the guest of honor.

For good printing at sensible prices — Sun Publishing Co.

Orinda Oaks Association Considers Forming Sewer Assessment District

The Orinda Oaks Association met recently to discuss the feasibility of forming a local assessment district to connect with the trunk sewers of the Central Contra Costa Sanitary District, now being constructed.

At the meeting members heard Thomas McMorrow of the County Health Department talk on local sewage problems.

Members talked with Supervisor Jack Cummings, who was present, about the possibility of the county taking responsibility for maintaining Claremont Avenue. Cummings explained that work would have to be done on the avenue before the county would consider such a move.

Appointed to write by-laws and a constitution for the Association were Mesdames Bob Spott, Clive Esterbrook, Bruce Howard and Bill Karr.

Ralph and Owen At Orinda Beauty

Two men, expertly-trained in the hair styling business, last week assumed ownership of the Orinda Beauty Shop.

Ralph Lestikow, with the Hair Stylists' of America, and Walter Owen, formerly of Antoine of Paris, purchased the shop from Sarah Friberg, who will continue at the establishment, and Willa Hubbard, who is retiring under doctor's orders.

Evening Section Of Womens' Guild Meets on Tuesday

The evening section of the women's Guild had a most enjoyable and worthwhile meeting at the home of Mrs. Arthur Henry of Brookside Road Tuesday evening.

Mrs. H. W. Meads, mother of Mrs. Norman Green, a Guild member, came from San Leandro with a car full of material to illustrate her talk on flower arrangement and ceramics. Mrs. Meads makes all her own flower bowls and containers. She showed the group about 20 arrangements and illustrated how, when flowers are scarce, driftwood, succulents, tree moss and lichens can be used artistically.

Measle Epidemic On Downswing

The Orinda Grammar Schools' measles epidemic is now becoming a thing of the past. The reports received here state that absences due to measles now total only 94, a definite trend in comparison to last week at this time of 170 and 216 the week before.

In the early part of this century, Acme imported a famous pure culture of brewers' yeast from Europe. This brewers' yeast has taken on distinctive characteristics which account for the zestful, sparkling refreshment of Acme Beer.

Some of the World's best beers are brewed in California. Beers shipped in from outside points are priced much higher only because of high freight and handling charges. So remember— you pay less for California beer only because you live out here.

Don Tankmen Meet Monterey Sat., And Travel to Hayward Wednesday

DONS BEAT BERKELEY

Don swimmers splashed their way to a dual victory Wednesday defeating the Berkeley varsity 38-28 and whipping their Bees 32-25. Phil Chapman led the way, coping the 50 and 100 yard free style. Marshall Freeman took the 100 yard backstroke in 1:12.2.

Aquatic fans will have a chance to see the traditionally top-drawer Acalanes swimming squad in action when the Dons take to their own pool against Monterey high 2 p.m. this Saturday.

A second meet within the week is scheduled for the Dons in the Hayward plunge at 3:30 p.m. next Wednesday against Hayward. This will be the first water competition ever scheduled between the two schools.

FOR THE RECORD

Saturday the Acalanes paddlers expect tough competition from Monterey, although the Dons easily took the first encounter last year. This season's Monterey outfit is, however, a veteran squad.

At the same time, Acalanes will be without some of its mainstays, as a result of injuries and depletion of its forces by men competing in the Don track meet at Davis the same day. Ace diver Jim Drinkwater will be among those preempted by the turf event. Fred Benett and Neal East are still incapacitated by recent illness.

SELBY READY

But the veteran star, Jim Selby, will definitely be in the water, Coach Dave Stewart reported. Saturday's meet will be the Dons' fourth this season, following the Berkeley meet yesterday and the Tamalpais contest the week before.

If No Rain -- Dons Vs Antioch Pirates

Leading early-season contenders for the County athletic League baseball championship, the Acalanes Dons and the Antioch Panthers were scheduled to meet Thursday in Antioch at 3:30.

Both teams have won both of their league games to date.

Next week the schedule shows one home game — against Richmond Tuesday at 3:15 p.m.

Next league contest after Antioch will be versus Pittsburg Pirates on their diamond next Thursday at the same hour.

As to the prospects of rescheduling the seven games already rained out, Coach Erwin Mattson pointed out that time would permit a second chance at league competitors only.

FROM THE SIDELINES

—By Coach Erwin Mattson—

One of the coaching innovations of the year has been the taking of moving pictures of basketball games.

Coach Nibs Price of the University of California had shots taken of the various games throughout the season and gained much valuable coaching aid as a result. Football has undergone the photographic process for a long time but basketball has been handicapped due to inadequate lighting.

Recent film and developing techniques have enabled the hoop game to come under the scrutiny of the camera lens and is no doubt here to stay.

AT ACALANES

Along the same line the Acalanes basketball squads recently were taken in color movies by Mr. Freeman.

The football squad received the treatment earlier in the year and other sports such as baseball, track and swimming will be added to give a record of the year's activities.

Plans call for showing of the films at the Fathers and Sons Banquet which is the male social event of the year.

IMPROVEMENTS ADDED

The Walnut Creek softball field, rated as tops last year, will be-

come "Super" with the addition of a new fence and a turf that was recently planted.

The green grass is well on its way with the help of recent rains and by June 1st should be a carpet of green for the opening game.

Additional recognition has been given the park as a result of the awarding of the Contra Costa Softball Championship Regional Tournament to Walnut Creek.

Slated for mid-August the tournament will find the top teams of the county fighting it out to determine who will get a chance to play for state honors in further play at Fresno and Stockton. State winners will go to Portland in early September for National honors.

The Lafayette club won the W. C. league last year and will be out to repeat with many veterans returning in addition to new recruits.

HARRY THE ACE

Ace of the local nine is Harry Dunham the fireball artist who is recognized as one of the best when it comes to throwing that underhand pitch.

It looks as if there will be a six team league with the schedule calling for one twilight game and one game under the lights each night.

CIVIL SERVICE JOBS

Applications are being accepted now for Engineer Trainee positions in all branches of engineering by the Executive Secretary, Central Board of U. S. Civil Service Examiners, Bureau of Reclamation, Denver Federal Center, Denver, Colorado. However, the majority of appointments will be made in the following options: Civil, Mechanical, Electrical, Architectural and General. The positions to be filled are located in the Bureau of Reclamation only, throughout the Western states.

Announcements and application forms may be obtained from the Commission's local secretary, Roy Bunker at the Lafayette Post Office.

Acalanes Trackmen Enter Meet At Annual Davis Picnic Saturday

Acalanes cindermen Saturday will enter the meet at the annual Davis Picnic at the agricultural campus of the University of California.

As yet A Coach Charles Eaton

Cub Den 10 Wins Peace Pipe award

The Peace Pipe Award, which is based on attendance of cubs, parents and visitors, was presented to Den 10 last Friday evening at a pack meeting in the Lafayette Grammar School Auditorium.

Five new cubs were inducted into the Pack. They are Richard Markstein, Phillip Lemos, Ronald Bures, Donald Danska and Charles Fuller. Gerald Combs transferred into Den 8.

Cubmaster H. Wm. Werner was unable to attend, as his son was taken suddenly ill with appendicitis. The new cubmaster, Leonard Jones, conducted the meeting and was ably inducted as Cubmaster by the committee.

Committeeman Van Horn presented awards and service stars to a large number of cubs. On the program, Roger Schultz played two piano selections. Dens 8 and 10 presented an entertaining skit based on the old-time minstrel show, and furnished a lot of laughs to the audience.

The clothing drive is proceeding satisfactorily and deliveries for the paper drive are being made to Mr. Iverson's barn on Sunday. The meeting closed with ice-cream and cookies for all.

Judy Bryant Entertains At Birthday Dinner

A dinner party in honor of Judy Bryant on her eighth birthday was held at the Bryant residence in Lafayette Oaks Tuesday, April 6.

Following dinner, the little girls enjoyed ice cream and a delicious birthday cake, and played games. Present were Linda Quartarolo, Lynn Hail, Kathy Cutler, Diane Nielson, Carol Gardner and the guest of honor.

and B Coach Robert Lord are uncertain as to whom they will take with them.

However, those who are almost certain to go are: Bob Clark, Bob London, Lonnie Thomas, Ralph Day, Claude Bolender, Lou Villierme, Roger Sodaro, John Toffelmire, Leigh Freeman, Don Neighbor, Phil Chapman, Bill Morrish, Don Tiernan and Stan Epstein.

As this meet is open only to schools whose enrollments do not exceed 800 students, this is probably the last year that fast-growing Acalanes, due to hit 850 next fall, will participate.

Varsity Trackmen Smear Crockett and Pittsburg

Acalanes varsity track team has made an auspicious entrance to the 1948 season.

They ran Pittsburg and John Swett High Schools literally into the ground as the Dons came through with a startling performance including three record making marks. Final score gave the Blue and White thinclads 96 points Pittsburg had 41 and Crockett, 5 points.

COUNTY FAVORITE?

The decisive win gave indication that the Dons is one of the definite favorites to cop county honors.

The local tracksters scored clean sweeps in the high hurdles and shot put to add to their early lead.

Record performances were made when Lonie Thomas leaped 21 feet 6 inches in the broad jump, John Toffelmire hit the ceiling at 11 feet 1 inch in the pole vault and Phil Chapman took the high jump of 5 feet 11. All marks were new school records.

BEES SECOND

The local Bee team came in second with 54 points while Pittsburg had 65. John Swett tallied 7. The showing of the Bees was also a surprise in as much as coach Bob Lord had to start from scratch. Outstanding was "Jiggers" Warren who won the 75 and 150 yard dashes.

What Lafayette People Are Doing

GUESTS AT ALLISONS

Mr. and Mrs. Matt Fregoe of San Francisco and Mr. and Mrs. Earl Reek of Oakland were recent dinner guests at the home of Mr. and Mrs. Don Allison on Oak View Circle.

BEACH OUTING

Mr. and Mrs. Everett La Franchi, daughter, Carol, and son Kay, spent last Sunday at the beach near Pittsburg. They were accompanied by Larry Witter.

VISITING BIRCHES

Terry Hiersman, daughter of Mr. and Mrs. R. Hiersman is a visitor at the home of Mr. and Mrs. Dwight Birch on Hawthorne Drive this week. The Hiersmans were formerly residents of Lafayette.

NEW BABY GIRL

Mr. and Mrs. Don Owen are proud to announce the birth of Donna Louise on March 27 at Herrick Memorial Hospital. Donna weighed 6 lbs. 13 oz. The grandparents, Mr. and Mrs. Adolph Kroeger are both going around with that "I'm a grandparent look."

TRIP TO SANGER

A recent week-end trip to Sanger, California was enjoyed by Mr. and Mrs. E. E. Friday of Lafayette, accompanied by Mr. and Mrs. J. A. White of San Leandro. The group attended a meeting and barbecue of the Fresno County Cattlemen's Association as the guests of Mr. and Mrs. Lee Poliard.

SPRING WHIST

A spring whist is to be given by the Red Wing Council No. 241, Degree of Pochontas at the Masonic Temple in Concord on April 23 at 8 p.m.

ADOPT CHILD

Mr. and Mrs. James Ford of Powell Drive are happy to announce the arrival of a new baby girl in their family. The little girl, Barbara Helen, is adopted and came to them March 19, when she was six days old. They have an adopted son, Andrew, who is 13 months old now.

RETURNS

Mrs. Robert Baldrige and daughter Barbara have returned to the Bay Area from Bremerton, Washington. They are staying with Mrs. Bisson, Beverly's mother in Oakland at present. Mr. Baldrige is still on duty with the Navy and expects his ship to go to the East Coast.

Don Varsity Nine Loses to Albany

The Dons varsity baseball team had their first activity in two weeks when they met the Albany Cougars in a game last Monday. Dons lost 2 to 1.

The tilt turned out to be a pitching duel with Roy Van den Heuvel, George Kallas and Bill Piona doing mound duty for Acalanes.

Albany scored in the second inning as the result of an error and tallied again in the fifth on a single with a man on second.

The Dons' lone score came in the seventh when Bill Piona lifted one over the right field fence with Lynn Amason scampering in from second. Bill was limited to two bases due to a ground rule.

Lack of practice showed in the inability of both clubs to hit.

HOSTS LUNCHEON

Mrs. J. Beatty of Wilkinson Lane entertained at a luncheon at the Rancho El Nido in honor of Mrs. John Farmer who is here on a visit from the Islands. The guests included Mesdames G. Richards, W. Marsh, F. Potts, C. Harp-er, and V. Moore.

Festival of Flowers and Fashions Promises Delightful Afternoon

At 1:30, the Walnut Branch of the Childrens Hospital of the East Bay will begin the third annual Festival of Flowers and Fashions, where many of the shops from Orinda, Lafayette and Walnut Creek will be represented.

Mrs. Calvin Nelson, as commentator, will describe what mother, big sister and the tiny tots are wearing. Dad and older brother will be included when a group of students from St. Mary's College model the latest fashions for the gentlemen.

Tea will be served at the conclusion of the fashion show. As plans have been made to accommodate about 2000 people, some tickets are still available at the Art and Garden Center in Walnut Creek or by contacting Mrs. Owen L. Williams, general chairman for the event.

Models from Orinda are Vir-

Don P. White, Robert Leland, C. White, and Robert Bennett.

Representing Woolsey Togs are Sue Kilgo, Jayne Duncan, Doris Hillman and Joan Woolsey.

Models from Lafayette, Kiddietown, Ann and Joan Evans, Ann Howard, LaVerne Tweed, John Scott, and John Graff.

Oweata Baby Shop, Jackie Swanson, Jack Witter, Susan Burch, Jerry Jean Mistak, Susan Robertson and Janice Robertson.

Hill'n Dale, Mesdames Stewart Dinwiddie, Fredrick Confer, Vad Jetton, and Carl Peterson.

Emma Lee's (Elayne's), Mesdames Roland Coad, Curtis Duncan and John Schroeder, III.

Beautiful spring gardens, flower decked tea tables, lovely models, and delightful music will be the order of the day at the Art and Garden Center in Walnut Creek on Tuesday, April 20th.

ginia Hammond, shop, Mesdames

Apartment House Building to Begin

Construction will begin in about 6 weeks on a \$1,300,000 apartment house project on the 13 acre tract between Railroad Ave. and the Danville highway in Walnut Creek.

Phil Heraty, real estate operator, states that there will be 14 buildings totaling 123 apartment units to be built plus complete landscaping for the entire area.

There will be 117, five room and 6 four room units. The 14 different structures will be two story brick and stucco, built along modern colonial lines. Completion of construction is expected in about 9 months.

CSF Sponsors Hangtown Hop On April 23

The California Student Federation society of Acalanes is sponsoring a dance to be held April 23 at the school auditorium. The theme of the dance, the "Hangtown Hop", will be carried out by decorating the floor in old western style.

The committees for the dance are as follows: Bids, Betty Gibson; Decorations, Marilyn Comstock; Publicity, Ruth Palmer; Records, Arthur Dull; and in charge of the dance, Nancy Macomber.

The C.S.F. society is composed of all students who receive outstanding grades. The proceeds from the dance will be used to meet the current year's scholarship fund, each year the school gives out one or two scholarships to the outstanding students.

Auxiliary Members Attend Luncheon in S. F.

Several members of the Lafayette Legion Auxiliary attended the luncheon meeting at the Hotel Fairmont in San Francisco last week.

The lunch was held in the Gold Room to honor National President, Mrs. Ruth B. Hutton. Attending from Lafayette were Mrs. Inez Long, District President, Mrs. Mabel Bowbeer, Unit President, and Mesdames Lydia McQuary, Florence Handerson, Clarice Creager, Dorothy Buchanan, Grace Stanley, Bea Eckwall, and Betty Neller.

St. Mary's College Schedules 'Contra Costa Day' April 25

"Contra Costa County Day" will be observed at St. Mary's College Sunday, April 25, when citizens of Contra Costa County are invited to visit the county's only college.

Facilities of the college will be open for inspection by all visitors and a full program is being arranged.

Already scheduled are an exhibit in the famed Keith Art Gallery of which Brother Cornelius is the curator, book exhibits in the Library, an organ recital in the picturesque Our Lady of Moraga Chapel, two baseball games featuring the St. Mary's varsity and freshmen teams, and a brief address by Brother Austin, F.S.C., president of the College, climaxing the day's festivities.

It is planned to make "Contra Costa Day" at St. Mary's an annual affair in an effort to bring St. Mary's closer to the people of the county.

Stanford Alumni To Meet Friday

A dinner meeting of Contra Costa County Stanford alumni will be held Friday night, April 16 at 8 p.m. at Club Alsam in Lafayette.

Dr. Lawrence A. Kimpton, dean of students at Stanford, will address the group and movies of the last Big Game will be shown by Chuck Taylor of the coaching staff. Wives or husbands of alumni are welcome. For further information call Mortimer B. Veale of the District Attorney's office, Martinez, or Herman or Eleanor Silverman, Lafayette 4452.

THANKS AGAIN

Mrs. McNeill who headed the Rummage Sale workers, wants to express the gratitude of the Church for the splendid response to the appeal for articles. The sale was a great success and the proceeds will go for worthy causes. The success was dependent upon the women who searched far and wide for the donated articles.

Lafayette Men Finish Training

Three Lafayette men will graduate into the ranks of journeymen at the apprenticeship graduation ceremony tonight in the Oakland Municipal Auditorium.

Lester LaMar and Herman W. Denny have finished their carpenter apprenticeship and John L. Slater is an electrician trainee.

FROM PASADENA

Mrs. Charles Bradshaw Jr. has as her guest this week her mother-in-law, Mrs. Charles Bradshaw from South Pasadena.

Glenside Bridge Club Enjoys Springs Luncheon

Mrs. Lester Conklin entertained the members of the Glenside Bridge Club with a Bridge Luncheon in the spring motif at her home on Los Palos Circle April 8.

Luncheon was served on bridge tables, with pastel candles and spring flowers making attractive centerpieces. In addition to the regular members Mrs. L. S. Scott had as her guest, Mrs. L. D. Stevenson from Los Angeles.

Members present were Mesdames A. Yatsko, L. Mancini, J. Scott, J. Winston, C. Drinkward, E. Weiss, J. Whalen, C. Neuman, T. Eggert, G. Myers, J. Oliveira, H. Williams and the hostess, Mrs. Conklin.

Jackie Witter Invites The Gang for a Party

Ten little friends of Jackie Witter celebrated his third birthday last Saturday at his home on Hawthorne Drive.

The table was decorated in pastel colors, with bright-colored hats and candy-filled baskets for the children. Ice cream and a beautifully decorated cake on a musical cake plate added to the occasion.

Guests included Mrs. E. La Franchi and daughter, Carol, Mrs. D. Birch and daughter, Susan, Cindy Utter, Patsy Evans, Linda Garevich, Claudia Stark, Stevie Quararola, Tommy Kimball, Terry Hjermsman, Mrs. Don Allison and son, David, and Mrs. Edith Witter of Oakland, grandmother of Jackie.

CANYON CALLINGS

Mr. and Mrs. Joseph Knipe left Sunday afternoon for a few days vacation. They went to San Diego.

Mr. and Mrs. Edward Rice and sons, Edward and Carlton of Miami, Oklahoma and Mrs. Ella Rice of Visalia visited overnight at the home of Mr. and Mrs. Harry Rice.

Mrs. Paul Talkington and little son, Kent, are visiting Mr. and Mrs. R. A. Baskett and daughter Constance. The Talkingtons are from Blue Rapids, Kansas.

Mrs. Henry Birmeam and son, Richard, left Sunday for Baytown, Texas. They expect to be gone about a month.

Mr. and Mrs. Homer Price spent the weekend in Fresno, visiting friends.

Mr. and Mrs. Gene Murley are the proud parents of a 10 lb. baby boy, born April 9 at Permanente Hospital. Mother and baby are doing very well.

Mass Flight of Civilian Planes to Take Off From Fields in Western States

The greatest Mass Flight in the history of civilian aviation will be held May 1-2 in California. Taking off from fields in the Los Angeles area, Oregon, Washington, and other western states, some 1500 to 2500 private planes will converge on Buchanan Field, Concord.

Co-sponsored by the Los Angeles Jr. Chamber of Commerce and the Contra Costa County Development Association, the event will be highlighted by a series of events planned for visiting flyers, aviation dignitaries and spectators.

NAVY AT WORK

Plans will commence arriving at Buchanan Field about 6 a.m. May 1, and will be guided to parking positions by a crew of 25 U. S. Navy ground crewmen. It is expected that it will take most of the morning to bring in all of the planes to a safe landing.

An estimated crowd of 30,000 spectators will be on hand to greet the visiting flyers and will be kept in order by several mounted Sheriff's Poses who have volunteered for the occasion.

In the early afternoon, after all the planes have been parked, a mammoth ground show will be given by Hollywood screen and radio stars. No admission will be charged to the field.

DANCE PLANNED

A dinner-dance will be held for the visitors at the Claremont Hotel in Berkeley on Saturday night, May 1.

On Sunday morning, before the

flyers return to their home bases, they will be entertained at a "Flight Breakfast" at the Claremont Hotel with the Development Association acting as hosts.

LEGAL NOTICE

NOTICE OF PROPOSED ANNEXATION OF TERRITORY TO THE ORINDA COUNTY FIRE PROTECTION DISTRICT IN THE COUNTY OF CONTRA COSTA

In the Matter of the Annexation of Territory to the Orinda County Fire Protection District.

NOTICE IS HEREBY GIVEN that Monday, the 26th day of April, 1948, at 10 o'clock A.M., at the Chambers of the Board of Supervisors in the Hall of Records, at Martinez, California, have been set as the time and place of hearing in the matter of the annexation of territory to the Orinda County Fire Protection District.

The territory proposed to be annexed is as follows, to-wit:

Commencing at the South East corner of Lot 72 as shown on the Map of the Sectionization of a portion of the Rancho Laguna de Los Palos Colorados filed Aug. 8, 1916 in Book 15 of Maps at page 308, Records of Contra Costa County, California, and running thence along the Lafayette Fire District Line, North 660 feet, East 330 feet, North 2010 feet more or less to the Mount Diablo Base Line thence west 1½ miles more or less to a point on the northeasterly line of Moraga Estates Subdivision being on the Orinda Fire District Line; thence South-easterly along said line to the south line of Lot 75 of above mentioned Rancho Laguna de Los Palos Colorados, thence, east along fire district line being along the south line of Lots 75, 74, 73 and 72, to the point of Beginning.

At the time and place of hearing or to any time to which it is continued, the Board shall hear any person objecting to the annexation, or objecting to any portion of the territory proposed to be annexed.

Dated this 29th day of March, 1948.

Why Power Curtailment Was Suspended

Abnormally heavy late season rains, new P. G. and E. power, and more power from other sources combine to end shortage

Heavy rains and snows during the last month raised P. G. and E. reservoirs and increased the snow pack in the mountains enough to permit the suspension of curtailment, at least temporarily.

Here is what brought about the change:

- 1. January weather in Springtime**... which replenished reservoirs, increased the snowpack and cut the need for unseasonable farm pumping.
- 2. New P. G. & E. power plants**... like the 101,000 horsepower Kern Steam Plant near Bakersfield which is expected to be in operation this month, and others coming on the lines soon.
- 3. Additional power from other sources.** We are tapping every feasible source of power. For example, increases in deliveries from Southern California and Shasta Dam.
- 4. Daylight time and voluntary savings** by our customers. These also helped, and it is important now that they continue.
- 5. Water saved during curtailment.** We were able to hold precious water in our reservoirs because of the power cut.

Another appraisal of water and power supplies will be made by June 1.

Meanwhile, We're Working Night and Day on New Generating Plants

Everything possible is being done to rush P. G. and E.'s long-term power building program initiated in 1945. This huge construction program will add nearly 2,000,000 horsepower to our generating capacity in the next 3½ years. Here are some of our major projects which will come on the lines soon:

Kern Steam Plant, near Bakersfield, will generate 235,000 horsepower. The first 101,000-horsepower Kern unit is expected to go on the line in the next few days.

Electra and West Point Powerhouses on the Mokelumne River, will generate 154,000 horsepower. Electra's 133,000-horsepower will be on the line this summer.

Station "P" Steam Plant, San Francisco, will produce 300,000 additional horsepower. It will go on the line this winter.

Rock Creek and Cresta Powerhouses, on the North Fork of the Feather River, will generate 270,000 horsepower. These plants are scheduled for completion in 1949 and 1950.

Another Steam Electric Unit... An additional 150,000 horsepower steam unit at a location as yet undetermined will be completed in 1950.

THANKS FOR YOUR HELP DURING THE EMERGENCY.
We know you will continue to guard against waste of electricity in every way you can.

P. G. and E.

PACIFIC GAS AND ELECTRIC COMPANY

Radio Diablo Adds News Broadcasts

FM Station KSBR of Radio Diablo is adding regular spot news broadcasts to their daily schedule, according to Franklin Evans, news bureau chief.

Present schedules call for news summaries at 3:30, 6:00 and 10:00 p.m. KSBR is on the air from 3:00 to 10:15 p.m. daily at 100.5 megacycles in FM channel 263. Particular emphasis will be placed on regional news.

The law, as well as common sense, requires that drivers stop for school buses.

Seafarers and Clipper Clubs Hear Dr. Ronald Bridges on World Crisis

The first social gathering in new Orinda Community Church was held Friday evening when the Seafarers and the Clipper Clubs, and friends, met to hear the distinguished speaker, Dr. Ronald Bridges, lay president of the Pacific School of Religion.

Fred Elkinton introduced the speaker who spoke of how many were fearful of the ending of the world by another war in which the atomic bomb would be used, but that the end of the world had been prophesied before and fearful people had become hysterical and shown what they valued most and hated to give up. The end of the world comes to others who

are terribly disappointed in love, in their worldly careers, or in a loss through death of a loved one.

As to the present crisis, Dr. Bridges reminded the audience that people and their press relished talking about the crimes, the accidents, and the generally bad news of their community and of the world and of nothing or very little else. Dr. Bridges said there was grounds for more cheerfulness and that things were not as bad as they seemed. He suggested the reading of Whittier's poem, "Abraham Davenport," and remembering that "simple duty has no place for fear."

'Papa Is All' Will Feature an Able Cast of Experienced Actors in May

The romantic young lead in the Lafayette Playshop production for May, "Papa Is All", will be Wilma Connor of Happy Valley, former star of the famous Showboat Theatre in Seattle, according to Leon Dinkin, director of the Pennsylvania Dutch comedy. Dinkin, who recently returned from a year of theatrical work in Los Angeles, revealed that the other five members of the cast also have professional experience.

Playing the title role of "Papa", to be presented May 7 and May 8 in the Lafayette Town Hall, will be Ed Drago, who has had many roles with the San Diego Community Players.

As Papa he is a burly character with a club foot, who horsewhips the young lead Emma, his daughter, on stage. He also manages to inspire the rest of the family with a rather urgent desire to murder him.

AND HIS WIFE

Papa's long-suffering wife, who thinks it would be nice if a train ran over him — a rather heavy train — will be Edith Dinkin, wife of the director. Edith has a background of professional experience in Los Angeles, and has been with the Lafayette Playshop since its start a decade ago.

Son Jake, whom Papa likes to consider crazy because he believes

machines can do the work of muscles, will be Joe Castro of Walnut Creek, who was born in a stage trunk. More recently, he has had a number of roles with the Hayward Community Players and the Walnut Creek Footlighters.

BOSTON BACKGROUND

Background with the Community Players in Boston, plus summer stock on the Eastern circuit, qualifies Alpha Drago to play Mrs. Yoder, Mama's talkative friend, whose verbal slips are always showing.

State Trooper Brendle, who represents the spirit of sanity in this screwball comedy, will be played by Jack Schneider, Lafayette businessman, noted for writing and directing minstrel club shows.

Dr. Berger Will Present Lectures

Dr. Evelyn Miller, daughter of Bishop Miller, is to be one of the lecturers in the series "The Young Family Today" now being presented at the First Presbyterian Church in Oakland.

Dr. Berger, director of the Family Counseling Center in Oakland, will speak Monday on "One Happy Family" and will take up the emotional adjustments of children. The lecture of the 26th is "To Spank or Not To Spank."

CLIFFORD G. ANGLIM
Candidate for State Senator

Clifford G. Anglim Tells of Campaign For State Senate

Clifford C. Anglim, Richmond attorney and one of Contra Costa County's original supporters of Franklin D. Roosevelt for president, formally opened his campaign for the State Senate with a six point program.

He pledged "complete and active support of every measure which would tend to preserve and strengthen our American way of life, benefit those who must sustain life by toil, provide cheap water and power for all of our county, build houses, maintain and create jobs, stimulate business and improve our schools, provide non-profit community owned hospitals for all of our people and make our county the finest, most decent county in California."

Anglim was elected to the Assembly from this county in 1932.

HOUSING DIRECTOR

In 1934, Anglim was named director of the Federal Housing Administration in Northern California.

He was appointed Collector of Internal Revenue for Northern California by President Roosevelt in 1938, and four years later resigned to resume the active practice of law.

PLANS DISCUSSIONS

"During the coming weeks before the election," Anglim said, "I hope to be able to visit, several times, each and every community in the county to discuss with its citizens the needs and desires that can be fulfilled by a Senator who has the best interests of his county and its people as his primary consideration in office."

"I am deeply grateful to all of the labor, industrial, business, farm and civic leaders who have pledged their support to my campaign and who, on the basis of my past record in public life, have so generously offered to bring the story of my campaign to the people."

Almona Chapter to Fete Worthy Matron, Patron

Harriet Trumbull and Edgar Charlton, Worthy Matron and Worthy Patron of Almona Chapter OES No. 214 will be honored at a party in the Walnut Creek Masonic Temple Saturday evening.

Bertha Ryan, Associate Matron, and her committee has charge of arrangements. It is expected that a large group of worthy matrons and worthy patrons from the East Bay and Contra Costa County will attend.

W. B. Ellis Attends Conference in San Diego

W. B. Ellis, school superintendent, is now attending the annual conference of California School Business Officials in San Diego.

He departed Tuesday morning and is expected back tomorrow or Saturday. Ellis attends this meeting each year.

Here and There in Orinda

TO CARMEL

We have more news from the travelingst people in the area. But this trip was hardly comparable to their usual jaunts to the other side of the continent. Anne Hazen and Ruth Price of Charles Hill Rd. took off last week-end for Carmel where they stayed at the delightful Carmel Valley Inn.

FLYING TRIP

Mrs. S. J. Peterson had a busy time of it last week. She squeezed a quick trip to Oregon in between caring for her three children and other extraneous domestic activities. Mr. Peterson has prospects of a fascinating job near Coos Bay and Mrs. Peterson spent a few days in the area looking for a home for her family. She saved precious time by flying up and back.

SICK IN BED

Sue Druhe of 226 La Espiral was confined to her bed last week with a bad cold. Sue returned to school Monday.

FLY EAST

Mr. and Mrs. George Neldam of 304 La Espiral mixed business with pleasure on their recent trip to Chicago, according to the word-en travel Agency. They got space

on one of the newly inaugurated DC-6 services to the East, so it was doubly pleasurable for Mrs. Neldam who had never been aloft before.

NEW BABY GIRL

Mrs. Carlton Moore of Orinda presented her husband on April 7, at Herrick Memorial Hospital a 5 pound 10 ounce daughter, she is the Moore's first child.

TO PALM SPRINGS

Mrs. Neal East was a little unhappy to think that her husband was called to Palm Springs on business and she had to keep th home fires burning. But when he called her to fly down to join him for a few days in the resort town she was the happiest woman in Orinda. Mr. and Mrs. East returned by car to their home on Canon Drive last Sunday, refreshed and exhilarated.

TO SAN DIEGO

Mr. Kenneth Andersen of 203 El Toyonal left on a business trip for San Diego.

RETURNS

It is pleasant to see again the smiling face of Mrs. Godfrey Bender in the Village Bakery after

her hard siege of bronchial pneumonia.

BABY GIRL

Mr. and Mrs. C. D. Moore of 72 Camino Encino, Orinda, are the proud parents of a baby girl. Th baby was born April 8 at the Herrick Memorial Hospital and weighed five pounds ten ounces.

Save a life — drive carefully.
